LET'S BACKPACK & EXPLORE SPITI VALLEY

ABOUT DESTINATION

Spiti Valley : The Middle Land between India and Tibet

Spiti offers much more than monasteries, pristine glaciers and some of the worlds' highest inhabited villages, Spiti leaves you with picture-postcard memories of barren desert and precariously perched monasteries set against a backdrop of clear blue skies.

Sparse population and awesome trekking opportunities offer a feeling of unexplored remoteness in an area yet untouched by tourism.

At incredible altitudes with stunning landscape, often compared to Ladakh before tourists took over, Spiti makes a fantastic road-trip destination with the added bonus of spotting that ever-elusive Snow Leopard.

Come and Join us for tremendous adventures and traveling feelings which make you happy and richer from heart.
