CHAMPANER PAVAGADH : UNESCO WORLD HERITAGE SITE

It is located around the historical city of Champaner, a city which was founded by Vanraj Chavda, the most prominent king of the Chavda Dynasty, in the 8th century. He named it after the name of his friend and general Champa, also known later as Champaraj.

The heritage site is studded with forts with bastions starting from the hills of Pavagadh, and extending into the city of Champaner.

The park's landscape includes archaeological, historic and living cultural heritage monuments such as chalcolithic sites, a hill fortress of an early Hindu capital, and remains of the 16th-century capital of the state of Gujarat.
