ABOUT DESTINATION

Saputara : The Star in the Eyes of the People of Gujarat

The name Saputara originally means "snake extract". It is said that there was a time when many species of venomous and non-venomous snakes were found here. The number of snakes has been declining over time due to the increase in human habitation and mobility. But the locals here still retain their heritage, Saputara is a perfect blend of arts and crafts, the people here are known as the Dangi tribe, their local dance is known as "Dangi dance".

Here are some places to learn and enjoy like Gira fall, Hatgarh trek and Waghai Botanical Garden are the centres of the attraction of the tour. Trekking on the hills with clouds and the splash of rain, group games with a bonfire, adventurous activities such as Paragliding and stream walking is the supplements to your trip.
